# Welcome Aboard

In 2009, Community Transit launched the *Swift* Blue Line, Washington State's first bus rapid transit line. At the time, the Blue Line provided a bus every 10 minutes on weekdays.

During the recession, every part of our service was impacted and *Swift* service was reduced to a bus every 12 minutes. While that may not sound like much, it was a 20 percent reduction in weekday service on our most popular route. This fall, we're bringing that 10-minute service back!

Even better, when the *Swift* Green Line between Bothell and Boeing opens next spring, riders will have an opportunity to make fast, frequent connections throughout south Snohomish County and Everett, including to Paine Field. If you haven't ridden a *Swift* bus, try it out; it's a whole different experience.

Speaking of a different experience, many more riders will get to ride a Double Tall bus this fall. Route 413 will provide trips to Seattle later in the morning, and will expand its service back to Snohomish County earlier in the afternoon and later in the evening. If you're worried about all the park & ride spaces being filled by then, try the Swamp Creek Park & Ride on 164th Street.

A lesson we learned from the recession was to evaluate our revenue sources more frequently to avoid the need to ever cut service. In 2008, we established a practice of considering a fare increase every two years, if needed. This year, we are raising local bus and DART paratransit fares by 25 cents to keep pace with expenses. It is the first local fare increase since 2015.

At the same time, we have restructured our commuter fare to eliminate zones. Now, all commuter routes to King County will charge the same fare – that means a fare reduction for some riders. This policy was adopted in coordination with other local transit agencies as we prepare for a new ORCA fare payment system. Stay tuned for more details.

Thanks for riding!

# Community Transit Fares

Fares effective October 1, 2018.

Service	Adult (19-64)	Youth (6-18)	Reduced Fare
			Regional Reduced Fare Permit required Senior (65+)/Disabled/Medicare
<b>Local</b> <i>All 100 or 200 series routes</i>	<b>\$2.50</b>	<b>\$1.75</b>	<b>\$1.25</b>
<b>Commuter</b> <i>All 400 or 800 series routes</i>	<b>\$4.25</b>	<b>\$3.00</b>	<b>\$2.00</b>
<b>Swift</b> <i>Bus Rapid Transit</i>	<b>\$2.50</b>	<b>\$1.75</b>	<b>\$1.25</b>
<b>DART Paratransit</b> <i>Dial-a-Ride Transportation</i>	<b>\$2.50</b>	<b>\$2.50</b>	<b>\$2.50</b>

**Local fares** apply on all 100 or 200 series bus routes within Snohomish County, including service to Bothell and Aurora Village in Shoreline.

**Commuter fares** apply on 400 or 800 series bus routes traveling between King and Snohomish counties. The full commuter fare is required, regardless of trip length or where you board the bus.

When you pay with cash, have exact fare ready. Drivers do not make change.

Community Transit collects fares on all trips. Passengers are not authorized to ride without paying their full fare; if you choose to ride without paying your fare, you do so at your own risk and may be subject to a \$124.00 fine (RCW 36.57A.230).

### Community Transit does NOT accept:

- Everett Transit tickets
- King County Metro tickets or transfers
- Sound Transit tickets

For **Sound Transit fares**, see page 200.

## Regional Reduced Fare Permit: Senior (65+), Disabled, Medicare

People age 65 and older, people with disabilities and Medicare card holders are eligible for a reduced fare provided they show a Regional Reduced Fare Permit. The permit entitles holders to a discounted ride on regular bus routes, Sound Transit trains and Link light rail trains throughout the Puget Sound region and on Washington State Ferries. It also allows for a personal care attendant to ride free when traveling with a disabled customer if an attendant is approved as part of the application process.

Permits are free and require a completed application and/or proof of age. Replacement for a lost or stolen card has a processing fee of \$3. For more information or to receive an application:

phone: (425) 348-2350

address: Lynnwood Transit Center RideStore  
20110 46th Ave W, Lynnwood

email: [ridestore@commtrans.org](mailto:ridestore@commtrans.org)

web: [www.communitytransit.org/reducedfarepermit](http://www.communitytransit.org/reducedfarepermit)

All Reduced Fare Permits are also ORCA cards that can be loaded with pre-paid fare (E-purse) or a monthly pass – the permit itself is not valid fare payment. If you have an older permit (non-ORCA), you can exchange it for an ORCA reduced fare permit at no cost.

## Youth

Up to two children age 5 and under can ride free when a person responsible for them pays either a full or reduced fare. Additional children are charged youth fare.

Riders age 6 through 18 qualify for youth fares. High school students may be asked to show identification when paying with cash. A youth ORCA card must be purchased in person – at the RideStore at Lynnwood Transit Center or at Everett Station – by the youth, parent or guardian. Bring proof of age or student ID.

## Transfers

Customers using cash or Community Transit tickets to pay their fare must pay full fare for each trip they take. Paper transfers are not issued or accepted by Community Transit.

When you use an ORCA card to pay your fare, you can continue your trip on another bus or train while getting credit for the fare you've already paid. Transfers are valid for two hours after you first tap your ORCA card. If the second part of your trip has a higher fare, the ORCA reader will display the difference and either deduct it from cash value on the card (E-Purse) or prompt you to pay the difference in cash.

# ORCA Card

## ORCA Customer Service

phone: (888) 988-6722 (ORCA)  
TTY Relay: 711/1-888-889-6368  
web: [www.orcacard.com](http://www.orcacard.com)

One Regional Card for All (ORCA) cards are accepted on most transit buses in the region and on Sounder, Link light rail, Seattle Streetcars and Washington State Ferries.

Adult and youth ORCA cards cost \$5. Seniors, people with disabilities or those who have a valid Medicare card can get a Regional Reduced Fare Permit ORCA card for free (see page 4). Once you purchase a card, you can keep it and reload it for many years of convenience and savings. Many large businesses provide ORCA cards for their employees; many colleges provide ORCA cards for their students.

An ORCA card itself is not valid fare payment – you must have cash value (an E-purse) or a current monthly pass loaded onto the card. If your ORCA card is empty or has low fare value, be prepared to pay cash.

ORCA cards are not accepted on paratransit buses, Skagit Transit or Island Transit.

## ORCA E-purse

ORCA E-purse is like using cash, only better. Newer or less-frequent transit riders can put cash value on an ORCA card, similar to having a pre-paid coffee card. When you tap your card on the ORCA reader, the fare value of your ride is deducted automatically. If you tap your card to ride another bus or train within two hours, you get credit for the fare you've already paid.

- E-purse can be used to pay for more than one person (except on *Swift*) – just let the coach operator know before you tap your card.
- E-purse is also useful for monthly pass-holders who occasionally take trips with a higher fare than their pass value. The difference can be paid with E-purse.
- The ORCA reader will give you two beeps and a “low funds” message when your card value is \$5 or less. If your card value is too low to pay your fare, be prepared to pay cash.

E-purse may be purchased in any amount from \$5 to \$300. You can use a credit card to set your ORCA account to load more E-purse automatically when your current amount runs out. ORCA E-purse value never expires.

## Monthly Pass

For frequent customers (multiple trips each day or more than 18 roundtrips a month), we recommend a monthly pass. A pass on an ORCA card is good for unlimited rides on transit systems throughout the region in a calendar month. Pick a trip value for the pass based on the fare of your most frequent trip. For instance, buy a \$2.50 pass if you're an adult who takes local Community Transit buses. If you take a bus or train with a higher fare, you can pay the cost difference by having E-purse value on your ORCA card or with cash. Be aware that any fare paid by cash does not receive transfer credit.

If you use the ferry as a passenger (not a vehicle driver), you can load a separate Washington State Ferry monthly pass on your ORCA card, or use your E-purse to pay for individual ferry rides. ORCA E-purse can also be used to pay vehicle boardings on Washington State Ferries.

## Monthly Pass Costs

Per-Trip Value	Monthly Pass Cost	Per-Trip Value	Monthly Pass Cost	Per-Trip Value	Monthly Pass Cost
\$0.25	\$9.00	\$2.25	\$81.00	\$4.25	\$153.00

\$1.75	\$63.00	\$3.75	\$135.00	\$5.75	\$207.00
\$2.00	\$72.00	\$4.00	\$144.00		

## Buying ORCA

ORCA cards are pre-set to charge the correct fare type for the user: youth, adult or reduced fare. Adult and youth ORCA cards cost \$5. An ORCA Regional Reduced Fare Permit is free (see page 4). Once you get your first card, you can add value to it online, by phone, in person or through the mail.

How to get your first ORCA card:

- Visit [www.orcacard.com](http://www.orcacard.com)
- Call (888) 988-6722 (ORCA); TTY Relay: 711/1-888-889-6368
- Use a vending machine at Sound Transit train stations.
- Go to an ORCA Customer Service Center or participating outlet (see pages 8-9).

# ORCA Customer Service Centers

New adult, youth and Regional Reduced Fare cards are sold at ORCA Customer Service Centers operated by transit agencies. Once you have an ORCA card, you can load a new pass or add value to your E-purse at a retail outlet or ticket vending machine.

# Comó Viajar

Community Transit quiere ayudar a todos a viajar en autobús. Llame al servicio de Información al Cliente al (425) 353-7433, y podemos responder a sus preguntas en español, con la ayuda de un intérprete. También puede visitar nuestra página web “Cómo Viajar” en español, para obtener más información: [www.communitytransit.org/espanol](http://www.communitytransit.org/espanol).

- Tenga a mano el dinero de la tarifa en efectivo exacto, su tarjeta ORCA o el pase del autobus listo. Los operadores de autobuses no llevan cambio consigo.
- Entre por la puerta delantera y pague al subir al autobús. En *Swift*, pague su tarifa en la estación antes de que llegue el autobús, y luego ingrese por cualquier puerta. La tarjeta ORCA facilita el pago de las tarifas de autobús y las transferencias a otros autobuses.

## Juventud

Hasta dos niños de 5 años de edad o menos pueden viajar gratis cuando la persona responsable por ellos paga un pasaje.

Los jóvenes de entre 6 y 18 años están habilitados para pagar pasajes juveniles.

## Pasaje Reducido

Las personas de 65 años o más, las personas discapacitadas y los poseedores de tarjetas de Medicare están habilitados para pagar un pasaje reducido. Puede comprar un Permiso de Tarifa Reducida Regional por \$3. El Permiso de Tarifa Reducida Regional puede adquirirse en RideStore en el Lynnwood Transit Center o en la Everett Station.

## Tarjeta ORCA

Si su viaje requiere tomar más de un autobús, o si utiliza el autobús todos los días, usted debería adquirir una tarjeta ORCA. La tarjeta ORCA funciona como si fuera efectivo o un pase, haciendo un seguimiento automático del valor de los diferentes pasajes y transferencias, evitándole a usted tener que hacerlo. Basta con dar un golpecito con la tarjeta sobre el logotipo de ORCA de la lectora de tarjetas del autobús o en la estación de tren o *Swift*. La lectora de tarjetas automáticamente deduce el precio correcto del pasaje o acredita su transferencia. El precio de la tarjeta es de \$5. Una vez que obtenga la tarjeta, puede agregar valor en efectivo a la bolsa (E-purse) o como un pase mensual para uso sin límite. Encuentre una lista de dónde puede comprar tarjetas ORCA en la página 7.

Los clientes que paguen en efectivo no reciban transferencias gratuitas y deban pagar por separado cada vez que aborden un autobús.

# Helpful Rider Tips

Thank you for riding Community Transit. Whether you use a local bus, a commuter bus or *Swift*, our safe and reliable service is designed to get you where you need to go.

Here are a few helpful tips:

- Arrive at your bus stop at least five minutes early and be visible when the bus arrives.
- Each bus stop sign is marked with the numbers of the routes that serve it along with schedule information and a unique stop ID number.
- The lighted sign on the front of the bus lists the route number and the final destination for that trip.

**Tip:** A southbound Route 201 will say “201 Lynnwood” although it also makes stops in Marysville and Everett.

- *Swift* stations and select park & rides feature next-bus electronic signs that show the real-time status of your bus.
- Have exact change, bus ticket or ORCA card ready.

**Tip:** Neither coach operators nor *Swift* ticket machines make change.

**Tip:** On *Swift*, retain proof of payment for inspections by *Swift* Ambassadors or Transit Police.

- Enter at the front door and pay as you get on. *Swift* riders can board at any door after paying their fare at the station.

**Tip:** *Swift* front door accommodates mobility devices, while bikes enter at rear door.

- Please give front seats to seniors, pregnant, and disabled passengers.
- Remain seated and/or maintain a firm handhold while bus is in motion.
- Place large items such as strollers and walkers out of the aisle and small items on your lap, under the seat or in the overhead rack if available.
- When you're a block away from your destination, request the stop by signaling with the yellow bell cord or tape near every seat. *Swift* stops at every *Swift* station.

**Tip:** Major intersections and destinations along each route will be announced.

- Avoid unnecessary conversation with the bus driver when the bus is in motion.
- Before exiting, look around your seat and make sure you haven't left anything.

**Tip:** Please exit from the rear door unless you have a bicycle.

- After exiting, do not cross the street in front of the bus.

# Accessibility

Priority for front seats is given to seniors, pregnant passengers, and people with disabilities. For passengers who use mobility devices or can't step onto the bus, a ramp can be deployed at the front door and up to two wheelchairs accommodated in the seating area at the front of the bus. Coach operators are trained to assist people with disabilities in boarding and in identifying their bus stops.

Community Transit and DART strive to serve anyone in a wheelchair, scooter or walker who can safely board and ride our buses.

For your safety and that of other passengers, we require wheelchairs to be fully secured in accordance with the design of the vehicle. On *Swift* and our newest buses, wheelchairs may also be parked facing the rear of the bus in a specially designated area with no need for additional securement.

Community Transit will make reasonable modifications to policies and practices where needed to avoid discrimination on the basis of disability and ensure program accessibility.

If you need any materials in an accessible format, please contact Customer Service at (425) 353-7433.

# Animals on Buses

## Service Animals

Service or guide animals are allowed on all Community Transit buses. Under the Americans with Disabilities Act (ADA), service animals must be harnessed, leashed or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal or other effective controls.

## Non-Service Animals

Non-service animals are not allowed on Community Transit commuter buses (routes numbered 400s and 800s).

Pets and non-service animals are allowed on local buses with the following rules:

- Dogs must be on a leash and wear a commercially-produced muzzle that covers the mouth and is secured behind the head.
- Small animals such as reptiles, birds or cats must be in a confined carrying container and held on the owner's lap or at their feet.

In all cases, owners must have complete control of their animal at all times. Animals cannot occupy a seat, block the aisle, wander or annoy other passengers.

On Sound Transit buses, only service animals and small animals in carrying containers are allowed.

*Commercially-produced muzzle*

# Bikes on Buses

Every Community Transit bus is equipped with a bike rack. Bike racks for two or three bikes are on the front of most buses. On *Swift*, racks for three bikes are inside the back door. Simple instructions for use are printed on the bike rack.

Before the bus arrives, secure loose items on your bike, such as water bottles. Remove baskets or accessories that may block driver views.

Bikes may be loaded or unloaded at any bus stop. It is your responsibility to load and unload your bike; the driver cannot assist you. When you have a bike on board, sit near the front of the bus and watch your bike. Community Transit is not responsible for lost or stolen bicycles.

Exit at the front door and let the operator know you're unloading your bike. On *Swift*, simply roll your bike off the rack and out the back door.

Let the coach operator know you are loading or unloading a bike before you step in front of the bus. If the rack is full, the coach operator has discretion to allow you to bring your bike onboard; however, room for passengers and safety always take priority.

## Bike Lockers

Bike lockers are a safe, weatherproof way to store your bike at a park & ride while you complete your trip on a bus, carpool or vanpool. Community Transit has more than 100 lockers around Snohomish County available for lease; other agencies also have lockers.

For more information on bike racks or bike locker locations, availability and leasing:

phone: (425) 353-7433

email: [bikelockers@commtrans.org](mailto:bikelockers@commtrans.org)

web: [www.communitytransit.org/bikes](http://www.communitytransit.org/bikes)

Watch our short instructional video on how to use bike racks at [www.communitytransit.org/bikes](http://www.communitytransit.org/bikes)

**Helpful Tip:** If there are no other bikes on the rack, load your bike in the front slot with the front wheel pointed towards traffic.

## Bicycling & Trail Map

The Snohomish County Area Bicycling & Trail Map is geared towards recreational and commuting cyclists and is intended to help inform the cyclist of popular areas and routes for riding. The trail maps highlight the Centennial Trail, Interurban Trail, and North Creek Trail and make it is easy to plan a safe and enjoyable bike trip anywhere in Snohomish County. It is packed with useful cycling tips, resources and information about combining your bike trip with a ride on a Community Transit bus.

To view or get a copy of the Snohomish County Area Bicycling & Trail Map:

phone: (425) 353-7433

## Lost & Found

If you lose an item on a Community Transit or Sound Transit bus, contact the RideStore at Lynnwood Transit Center to verify that we have your lost item.

address: RideStore at Lynnwood Transit Center  
20110 46th Ave W, Lynnwood  
phone: (425) 348-2350  
email: [ridestore@commtrans.org](mailto:ridestore@commtrans.org)  
hours: Monday – Friday 7 a.m. to 6 p.m.

Found items can usually be picked up after 8 a.m. the next business day and are held for 14 days. Wallets, purses and medications are always given special consideration for quick return to the owner. Bikes are held for 10 days only due to space constraints. Community Transit is not responsible for lost or stolen items.

Items lost at Everett Station will be held at the station's Customer Service Center, call (425) 257-7777.

For items lost on DART Paratransit, call (425) 347-5912, (800) 562-1381 or TTY Relay: Dial 711 (hearing impaired).

For items lost on the Sounder train, call (888) 889-6368.

# Non-discrimination Policy

Community Transit operates its programs and services without regard to race, color and national origin in accordance with Title VI of the Civil Rights Act of 1964.

If you believe you have been discriminated against on the basis of race, color or national origin by Community Transit, you may file a Title VI complaint by completing, signing and submitting the agency's Title VI Complaint Form.

How to file a complaint with Community Transit:

- Download a PDF of the Title VI Complaint Form from our website or have a form mailed to you by contacting Customer Service.
- Complaints must be filed within 180 days of the alleged discriminatory act and should contain as much detailed information about the alleged discrimination as possible.
- The form must be signed and include your contact information.

If you believe you have been discriminated against for some reason other than race, color or national origin by Community Transit, you may file a complaint by contacting Customer Service.

# Personal Conduct

Persons involved in unauthorized or illegal activities are subject to prosecution and/or exclusion from all Community Transit property and services. Additionally, violators could be found guilty of Unlawful Transit Conduct (RCW 9.91.025), which is a misdemeanor crime. Any assault on a transit operator or supervisor is a class C felony (RCW 9A.36.031).

The conduct of persons using the transit system is regulated by Community Transit policy, as well as federal, state and local laws. These rules and laws are in place to make our system safe and secure for all customers.

**Unauthorized activities include**, but are not limited to:

- Smoking or using e-cigarettes or vaping devices on buses or anywhere in a transit facility or park & ride unless in a designated smoking area.
- Smoking or using e-cigarettes or vaping devices within 25 feet of a bus shelter or *Swift* station.
- Discarding litter in other than designated receptacles.
- Spitting.
- Carrying unlawful firearms or weapons.
- Possessing any flammable liquid or hazardous materials, including fireworks, car batteries or gasoline.
- Disturbing others by engaging in loud, raucous, unruly, harmful, or harassing behavior.
- Consuming an alcoholic beverage or being in possession of an open alcoholic container.

In addition, while on the bus:

- Shirts and shoes must be worn on the bus. Roller skates or rollerblades must be removed before boarding.
- Keep your belongings clear of the aisle and other seats.
- Do not lie down or place feet on seats.
- Speak quietly when using mobile communication devices so as not to disturb other passengers.
- No eating or drinking on the bus. Food and beverages may only be brought onboard in spill-proof containers.
- Listen to audio devices using headphones to limit the sound to the individual user.
- Dispose of garbage properly.
- Large objects may be allowed on the bus if they do not have sharp edges and if space allows. Fishing poles must be disassembled and secured.

# Public Comments

If you want to make a formal comment about Community Transit service, send it to [riders@commtrans.org](mailto:riders@commtrans.org) or call (425) 353-7433. Provide as much information as possible, such as the bus number, time of day, route number and description of incident and driver. Compliments, questions and concerns all help improve our service.

# Rider Alerts

Rider Alerts on the Community Transit website are updated regularly whenever weather-related reroutes or system-wide delays impact our buses.

You can receive those rider alerts via email or text message by signing up:

[www.communitytransit.org/subscribe](http://www.communitytransit.org/subscribe)

**Tip:** Sign up to get email or text message alerts.

# Safety & Security

Community Transit has its own Transit Police Unit which is contracted through the Snohomish County Sheriff's Office to provide security for our buses, park & rides and facilities. Deputies in uniform or plain clothes routinely patrol our facilities and ride our buses. All activities on our buses may be video and/or audio recorded for your safety. Many park & rides and transit facilities have security cameras.

*Swift* Ambassadors are Community Transit staff who work onboard *Swift* buses and at *Swift* stations. Ambassadors are authorized to verify fare payment and to verify identification (RCW 81.112.210).

Community Transit collects fares on all trips. Passengers are not authorized to ride without paying their full fare; if you choose to ride without paying your fare, you do so at your own risk and may be subject to a \$124 fine (RCW 36.57A.230).

## **See Something, Say Something**

The public plays an important part in ensuring safety - stay alert and be aware of your surroundings. If you see something suspicious - on our buses, at our bus stops, at our park & rides or transit facilities - say something immediately.

Report any suspicious activities or packages to a transit employee or by calling 9-1-1.

- Be alert to unattended packages - backpacks, suitcases or packages placed in out-of-the-way locations.
- Be wary of suspicious behavior and suspicious activity.
- Be alert to people taking pictures of equipment or secure areas.

For your safety:

**Please do not cross in front  
of the bus.**

# Snow & Weather Impacts

Occasionally, snow or icy conditions impact Community Transit bus service. While one route may be on snow route, another route may not be.

There are three things you can do to get the most updated information about snow events:

- **Visit [www.communitytransit.org](http://www.communitytransit.org)** – Rider Alerts are posted on our website's home page and updated at least every hour during major weather events. These alerts indicate which routes are on snow route.
- **Sign up for e-alerts** – Visit [www.communitytransit.org/subscribe](http://www.communitytransit.org/subscribe) and select the routes you frequently ride to get email or text alerts about service impacts to your route.
- **Follow @MyCommTrans on Twitter** – Daily service updates are posted to Twitter, by Community Transit and by customers, during weather events and on normal days.

## Snowflakes

A snowflake symbol at a bus stop indicates that buses will **not stop** at that location if there is measurable snow or ice on the ground. Often, these are stops on hills. **If your bus stop has a snowflake symbol and there is snow or ice on the ground, please wait at another stop.**

## Snow Route Maps

Our snow route maps give riders more information on where to catch a bus on days when snow or icy conditions are impacting service. Learn more about how to use these snow route maps on page 224.

# Commuter Trip Reduction

Commuter trip reduction provides businesses with the tools and resources to develop and implement a worksite transportation program. When employees choose commute options other than driving alone, they reduce traffic, save money and time, and help the environment.

phone: (425) 438-6136

web: [www.communitytransit.org/commutetripredution](http://www.communitytransit.org/commutetripredution)

# Curb the Congestion

Curb the Congestion is a program to reduce traffic and encourage healthy travel options on Snohomish County's most congested roadways. Whether you're commuting to work, school or running errands on the weekend, you can save money, alleviate traffic stress, and earn rewards by choosing to not drive alone.

phone: (425) 438-6136

# RideshareOnline.com

RideshareOnline.com is designed to help commuters join or start a carpool or vanpool, find a last-minute ride and discover other travel choices that help you make the most of your time, reduce congestion and cut your carbon emissions. Many commuters can use RideshareOnline.com to access information on their employer's commute program and promotional rewards.

# Transit Instruction Program

Transit Instruction is like Bus Riding 101 provided to senior citizens, persons with disabilities, visitors, and non-English speaking customers. The free program is designed to provide the necessary assistance for each person to successfully learn how to use Community Transit's regular route bus system.

Instruction is customized to meet individual needs and can last from one session to several sessions depending upon how long it takes for the rider to feel safe and confident using Community Transit's regular bus service.

Group presentations and training are available for senior centers and residential facilities, adult family homes, schools, and other organizations. These presentations provide a basic orientation and overview of Community Transit's bus system and public transit options for Snohomish County residents.

## Vanpool

The Puget Sound region has more vanpools on the road than anywhere else in the country. A vanpool is a group of 5-15 commuters who ride together in a van provided by the local transit agency.

Community Transit provides vans for Snohomish County residents and commuters. Vanpools generally follow a set schedule and route, but unlike a bus, these are set by the riders themselves. Rates are based on the size of the van and the daily round-trip mileage.

A vanpool traveling to your workplace may already exist and be in need of additional riders. Your workplace may have an employee transportation coordinator who can help you.

### **ADA Visitors**

Visitors who reside outside of the Puget Sound region and are certified as ADA paratransit eligible by another transit provider are granted 21 days out of any 365-day period of paratransit service. Individuals who are not certified by another transit provider and claim presumptive eligibility should submit documentation supporting a qualifying disability.

# How to Read Maps & Schedules

**A Bus route number**

**B Direction of travel** – Shows final destination.

**C Timepoints** are numbered or lettered and correspond to both the route map and schedule. Bus stops are located near timepoints. Between each timepoint there are additional bus stops. If you plan to board between timepoints, estimate the arrival time based on the timepoint prior to your stop. A full list of stops may be found on the Community Transit website.

**D Schedules** – Below each timepoint is a column of the times when the bus leaves that location. By reading the timetable from left to right, you can follow the movement of the bus as it travels along its route.

*In this example, if you board Route 123 at Hwy 525 & Front St at 11:52 a.m, you will arrive at the Alderwood Mall at 12:15 p.m.*

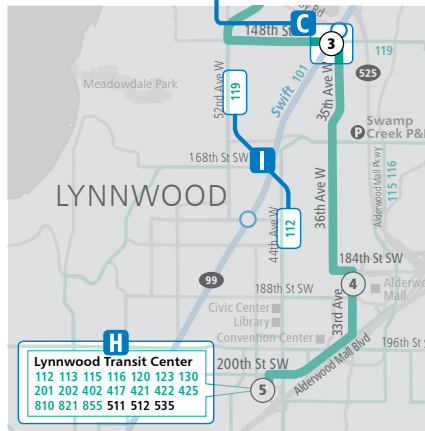

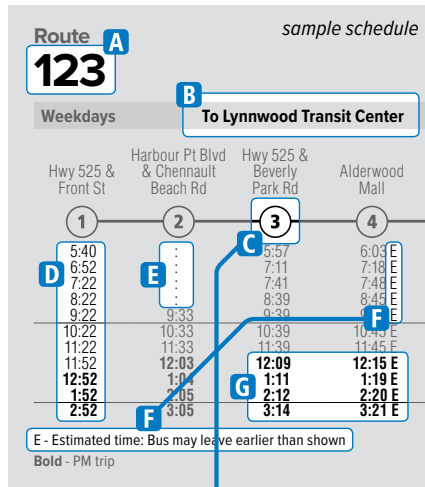

**E Colon (:)** – indicates that no service is provided to that stop or other stops in that area for that particular trip.

**F Letters** – indicate a footnote providing further information.

**G Bold times** – indicate afternoon and evening (PM) trips.

**H Callout boxes** – highlight destinations or transit centers and list other routes that serve the area.

**I Transfer routes** – other bus routes that intersect the main route. Passengers can generally connect near the intersections or timepoints shown.

## Local Service

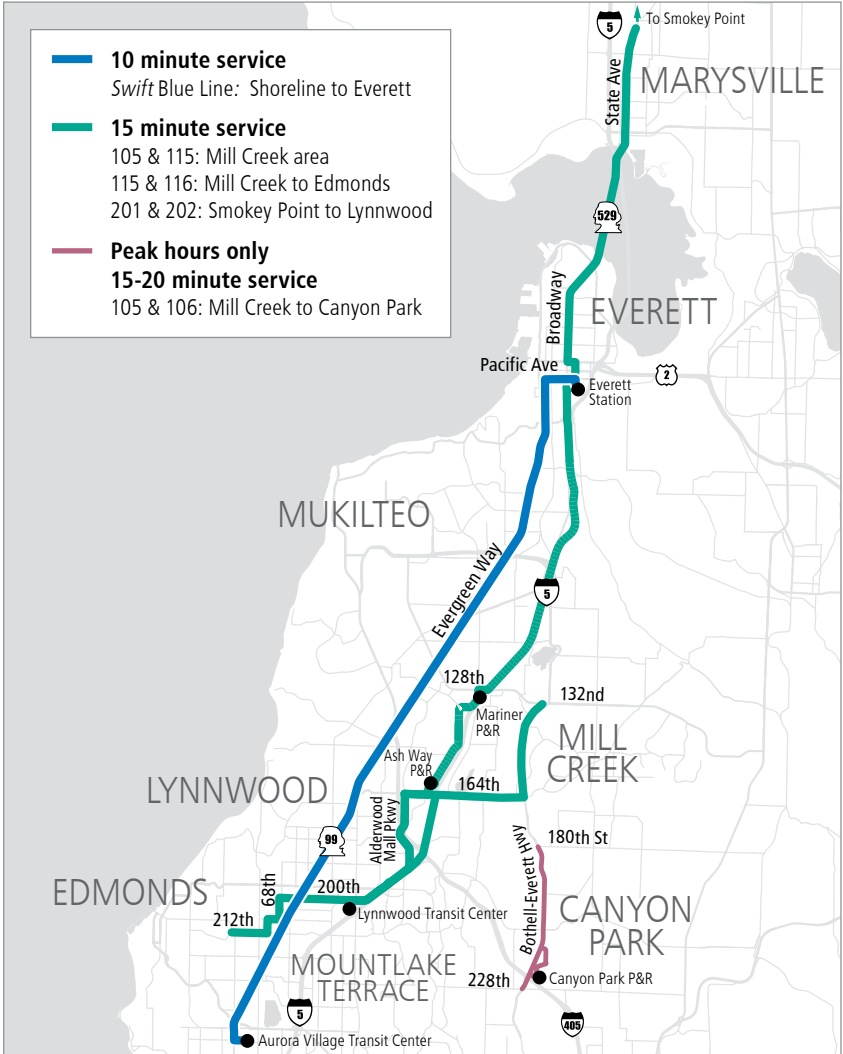

**Community Transit's local service is matched to the corridors and communities we serve:**

- **Swift Bus Rapid Transit:** Fast, frequent service between Everett and Shoreline on Highway 99.
- **Frequent Service Corridors:** Buses every 15-20 minutes on major road corridors in Arlington, Bothell, Everett, Lynnwood, Marysville, Mill Creek and Mountlake Terrace.
- **Important Destinations:** Buses provide direct service to Alderwood Mall, Boeing, Canyon Park, Edmonds Community College, Everett Community College, Mill Creek Town Center, Snohomish County Campus, UW Bothell/Cascadia College and other destinations.
- **Countywide Connections:** Buses serve most cities in our service area.
- **Transit hubs** at Smokey Point Transit Center, Everett Station, Lake Stevens Transit Center, Mariner Park & Ride, Ash Way Park & Ride, Mountlake Terrace Transit Center, Canyon Park Park & Ride, UW Bothell, Lynnwood Transit Center and Aurora Village provide easy transfers to other buses and systems. We also make ferry and train connections in Edmonds and Mukilteo.

# Local Service

## Frequent Service corridors

Swift Blue Line service on Hwy 99 is Community Transit's most frequent route, with buses every 10 minutes on weekdays. Other places in Snohomish County have buses every 15 minutes thanks to route pairings. Service is designed so that individual routes overlap to provide frequent service in high ridership areas.

## Swift Bus Rapid Transit

We're building a COLORFUL network of *Swift* lines with fast, easy connections.

**Swift** BLUE  
LINE

**Swift Blue Line** serves a 17-mile route between Everett and Shoreline, our highest ridership route.

**Swift** GREEN  
LINE

**Swift Green Line**, planned for Spring 2019, will provide service between Canyon Park and Boeing/Paine Field.

And the *Swift* network will continue to grow, with frequent connections on our most highly-travelled corridors.

*Swift* offers several features that make it convenient for riders:

- **Frequent service** - *Swift* operates every 10 minutes from 6 a.m. to 7 p.m. on weekdays and every 20 minutes early mornings, nights, Saturdays, Sundays and holidays. Refer to schedule for exact times.
- **Pay fares first** – Riders pay their fares at the station while waiting for the bus, then board at any door. Ticket machines take exact change, Visa or MasterCard. Having an ORCA card is both the *swift* way to pay and can save you money.
- **Fast boarding** – *Swift* buses have three doors. People with bikes board at the rear door and people with mobility devices board at the front, so the middle door is best for all other passengers. Buses stop at all stations, but passengers must be ready to board or deboard immediately, because the bus does not wait.

## Paying Your Fare

### ORCA Card

With ORCA, you can get on and off *Swift* or transfer to other buses for up to two hours after your first tap. Tap your card on the ORCA logo at the reader on either end of the station before the bus arrives. Make sure your card is read and that full payment has been received. ORCA cardholders whose pass value is lower than the *Swift* fare and who do not have E-purse will need to upgrade their fare with cash or credit at the ticket vending machine. At *Swift* stations, ORCA cards cannot be used to pay multiple fares. See page 6 for more about ORCA.

ORCA card reader

### Cash or Credit

Each station has two **Swift ticket vending machines** near the information kiosk. You can use cash, Visa or MasterCard to pay your fare or to pay the difference if the *Swift* fare is higher than your ORCA pass value (a pass “upgrade”). Cash-paying customers should bring exact change, as machines do not make change. Multiple tickets may be purchased during a single transaction. Tickets are good for one ride on *Swift* and there are no transfers.

Riders must keep their tickets as proof of payment for fare enforcement by *Swift* Ambassadors or Transit Police. The bus driver doesn’t need to see it when you board.

However, if you use another valid form of payment such as a Human Services ticket, a DART ticket, or a free ride ticket; you must give your ticket to the driver upon boarding. Failing to do so may result in a \$124 fine.

### **Swift Ambassadors**

Swift Ambassadors are Community Transit staff who assist riders onboard Swift buses and at Swift stations. Ambassadors are authorized to verify fare payment and identification (RCW 81.112.210). Be prepared to show your ORCA card or Swift ticket upon request. A \$124 citation may be written for those who fail to pay.

### **Accessibility**

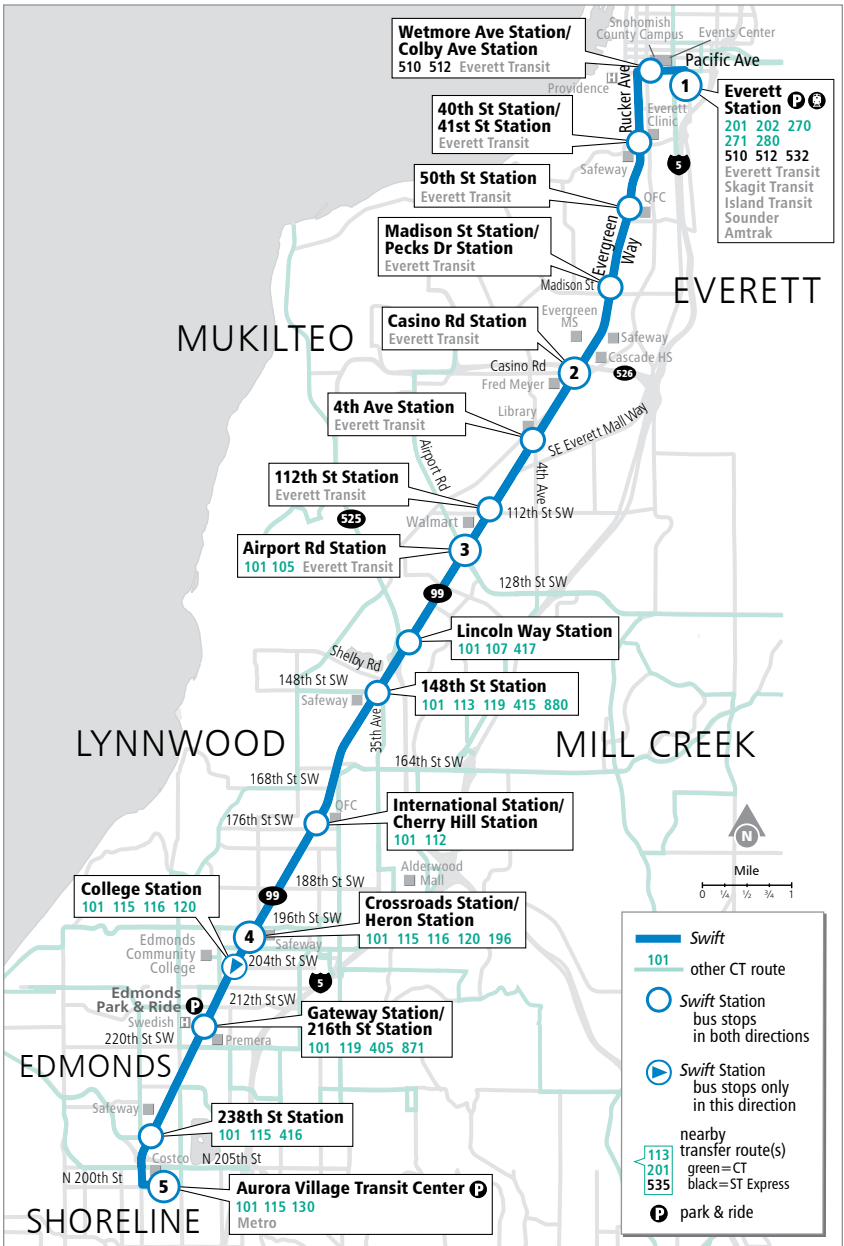

Station platforms are just a few inches shorter than the floor of the bus, making it easy to step aboard. If you need the wheelchair ramp, enter at the front door. The wheelchair areas on Swift can either be used in the standard, front-facing position or in a rear-facing position that requires no coach operator assistance – simply back up to the padded backboard, set your brakes and pull down the armrest.

When the bus approaches your station, use the call button located in the wheelchair seating area to signal the coach operator that you will be deboarding. The operator can then deploy the ramp or allow extra time at the station as needed.

### **Swift Partnerships**

Swift is a partnership between Snohomish County's two local transit agencies: Everett Transit and Community Transit. Thanks to the innovative nature of bus rapid transit, both Community Transit and Everett Transit have received state and federal grants to fund most Swift capital costs. Everett also contributes operating funds for Swift from local sales taxes.

## Commuter Service

### Downtown Seattle

Community Transit commuter services transport Snohomish County customers to and from King County employment centers during peak hours. Taking the bus to Seattle is smart – it saves on gas and parking and many employers provide bus passes.

Taking the bus to Seattle is also very popular – both buses and park & rides can be crowded. Consider taking a local bus or carpooling with fellow commuters to the park & ride. Store bags and other items on your lap, under your seat or in overhead bins if available.

Downtown landmarks, transit tunnel access to Link light rail, and commuter bus routing are shown on the full color downtown Seattle maps at the back of the book. A full list of Seattle stops is on the next page.

### Seattle Routing

Commuter buses serve downtown Seattle using different routing in the morning (to Seattle) than they do in the afternoon (to Snohomish County).

There are also two different routing patterns for how buses enter and leave downtown Seattle. Commuters can take either a bus that accesses downtown Seattle from the north end via Stewart or from the south end via Cherry, with the first stop near Seattle City Hall.

### Boarding/Deboarding

Community Transit buses inbound to Seattle stop in King County to drop off passengers only. If a bus stops to drop off riders, new passengers may board, but must pay the full commuter fare. For local bus service within King County, please use King County Metro.

# Downtown Seattle Bus Stops

The Community Transit stop numbers shown in the table below should be used for online trip planning purposes only. They are associated with routes operated by Community Transit and are not displayed at King County Metro stops.

## University District

Community Transit offers six bus routes from Snohomish County to the University District in Seattle, all numbered in the 800s. In addition, Route 424 from Snohomish and Monroe serves the Montlake Freeway Station off Highway 520, near the UW Medical Center. Community Transit buses inbound to Seattle stop in King County to drop off passengers only. If a bus stops to drop off riders, new passengers may board, but must pay the full commuter fare.

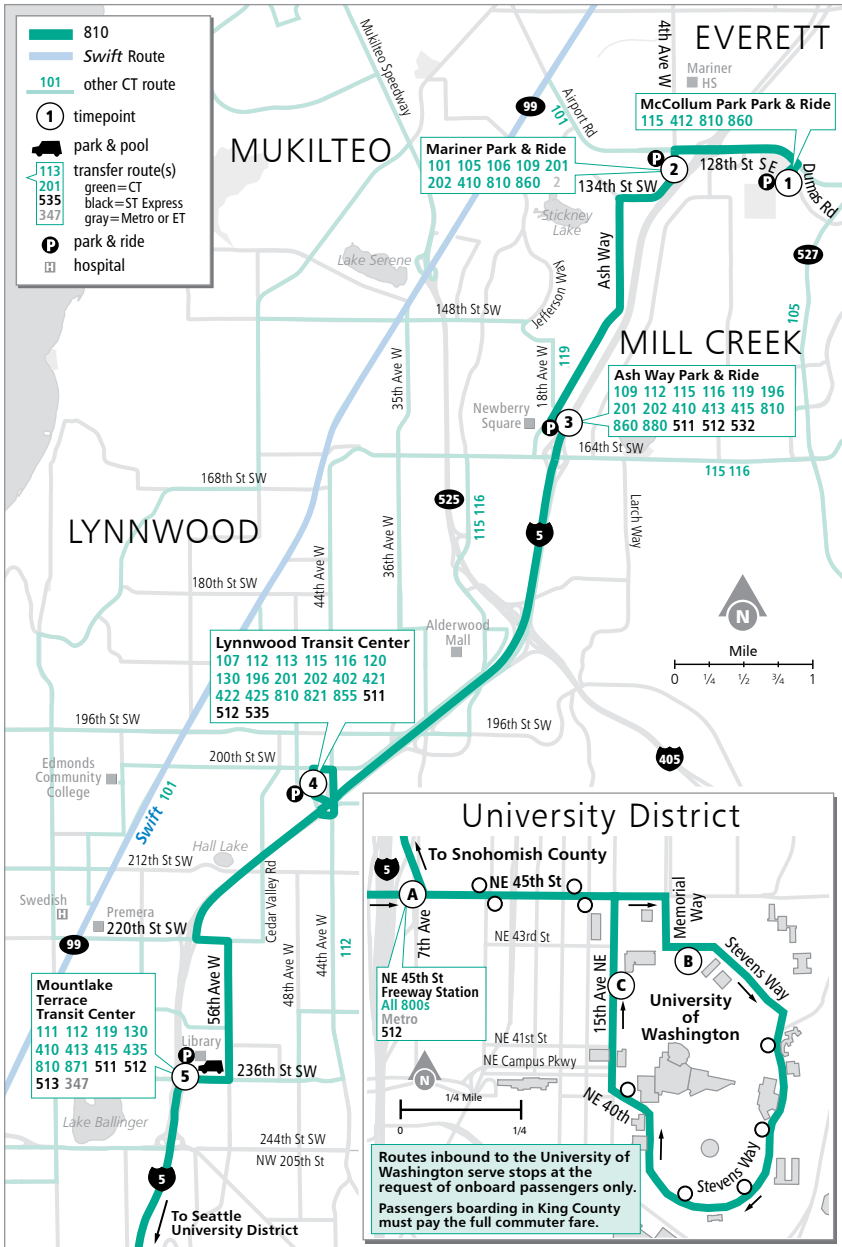

Sound Transit ST Express Route 512 serves the flyer stop at NE 45th Street & I-5 on weekdays, Saturdays and Sundays.

*Swift* Blue Line between Everett and Shoreline connects to U-District service near Highway 99 at Edmonds Park & Ride; at 148th St SW in North Lynnwood; and at Aurora Village (with a transfer to King County Metro Route 373).

The U-PASS is available to staff, students and faculty of the University of Washington and is good for unlimited rides on any area transit system.

## ST Express Bus Fares

*Fares are subject to change.*

	<b>Adult</b> (19-64)	<b>Youth</b> (6-18)	<b>Reduced Fare</b> Senior (65+)/ Disabled/Medicare	<b>ORCA LIFT</b>
One-County	<b>\$2.75</b>	<b>\$1.50</b>	<b>\$1.00</b>	<b>\$1.50</b>
Multi-County	<b>\$3.75</b>	<b>\$1.50</b>	<b>\$1.00</b>	<b>\$1.50</b>

Sound Transit ST Express bus fares vary depending on whether your trip is all within a single county or whether your trip crosses county lines. Traveling within Snohomish County, for instance from Everett to Canyon Park, is an “One-County” fare. Traveling from Lynnwood to Seattle is a “Multi-County” fare because it crosses the King County line.

\* requires Regional Reduced Fare Permit

Fares are subject to change.

If you are not using a pass for your full Sounder fare, you must purchase a ticket or an upgrade to your pass at a fare vending machine located on the Sounder station platform. At Sounder train stations, you can purchase an ORCA card or train ticket at a fare vending machine. The machines accept cash, MasterCard or VISA. See page 6 for more information about ORCA.

When you use ORCA to pay your fare, tap your card on the card reader on the train platform both before you board and when you get off to ensure you are charged the proper fare based on distance.

Passengers onboard the Sounder train without a valid ticket or pass are subject to a \$124 fine.

# Snow Routes

Occasionally, snow or icy conditions impact Community Transit bus service. While one route may be on snow route, another route may not be.

There are three things you can do to get the most updated information about snow events:

- **Visit [www.communitytransit.org](http://www.communitytransit.org)** – Rider Alerts are posted on the website's home page and updated at least every hour during major weather events. These alerts indicate which routes are on snow route.
- **Sign up for e-alerts** – Visit [www.communitytransit.org/subscribe](http://www.communitytransit.org/subscribe) and select the routes you frequently ride to get email or text alerts about service impacts to your route.
- **Follow @MyCommTrans on Twitter** – Daily service updates are posted to Twitter, by Community Transit and by customers, during weather events and on normal days.

## Snowflakes & Snow Route Maps

A snowflake symbol at a bus stop indicates that buses will **not stop** at that location if there is measurable snow or ice on the ground. Often, these are stops on hills. **If your bus stop has a snowflake symbol and there is snow or ice on the ground, please wait at another stop.**

Snow routes let drivers and passengers know the safest routing a bus will take during a snow event. In addition to hills, there may be other areas along a route that are not served during a snow event. These stops may not have snowflakes but will not be served when a bus is on snow route. Please use the snow route map to determine the portion of the route that will not be served.

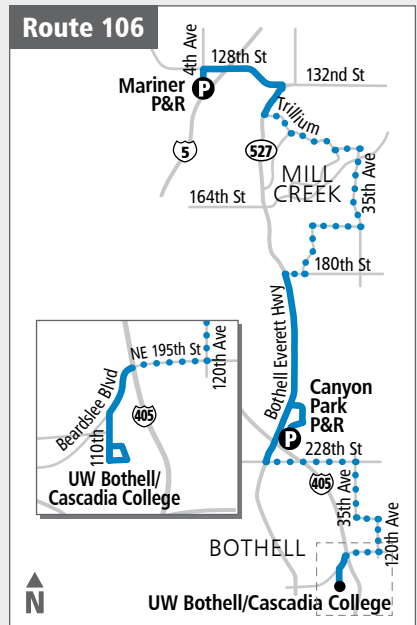

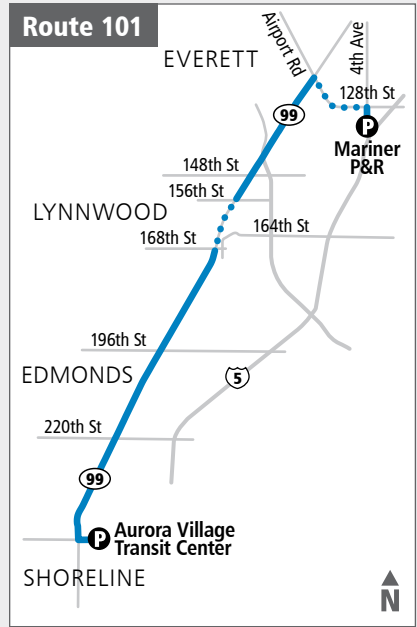

## Snow Schedules & BusFinder

During a snow event, the regular bus schedule does not apply; buses may come less frequently and it will take longer to get to each destination. Rider alerts will indicate how often a bus may arrive.

BusFinder is our real-time bus information web application ([mybusfinder.org](http://mybusfinder.org)). During a snow event, the countdown time indicated on BusFinder may not be accurate due to the fact that it is a prediction made when the bus is traveling at regular speed. BusFinder is helpful during a snow event to let you know that a bus is coming. If a trip has been canceled, BusFinder will show no departures. If there is a bus shown on BusFinder, it is on the way, but may arrive more slowly than indicated.
